Logical Reasoning - Classification

English

Q:1 Four of the following five are in some way similar and they create a group among themselves. Which of these is not related to this group?

Theocracy, Oligopoly, Autocracy, Plutocracy, Anarchy

1. Oligopoly
2. Autocracy
3. Anarchy
4. Theocracy

Q:2 Four of the following five are in some way similar and they create a group among themselves. Which of these is not related to this group?

Chrome, Internet Explorer, Firefox, Safari, Java

1. Safari
2. Chrome
3. Firefox
4. Java

Q:3 Four of the following five are in some way similar and they create a group among themselves. Which of these is not related to this group?

Symphony, Communism, Socialism, Capitalism, Fascism

1. Socialism
2. Capitalism
3. Symphony
4. Communism

Q:4 Four of the following five are in some way similar and they create a group among themselves. Which of these is not related to this group?

Authoritarianism, Totalitarianism, Federalism, Absolutism, Melody

1. Federalism
2. Melody
3. Authoritarianism
4. Totalitarianism

Q:5 Four of the following five are in some way similar and they create a group among themselves. Which of these is not related to this group?

Aristocracy, Meritocracy, Rhythm, Theocracy, Technocracy

1. Rhythm
2. Technocracy
3. Meritocracy
4. Aristocracy

Q:6 Four of the following five are in some way similar and they create a group among themselves. Which of these is not related to this group?

Feudalism, Pluralism, Confederacy, Monopoly, Composition

1. Composition
2. Monopoly
3. Pluralism
4. Feudalism

Q:7 Four of the following five technology terms are in some way similar and create a group among themselves. Which of these is not related to this group?

Algorithm, Firewall, Haiku, Augmented Reality, Biometric Authentication

1. Haiku
2. Algorithm
3. Augmented Reality
4. Firewall

Q:8 Four of the following five technology terms are in some way similar and create a group among themselves. Which of these is not related to this group?

Quantum Computing, Encryption, Nanotechnology, Artificial Intelligence, Sonnet

1. Encryption
2. Nanotechnology
3. Sonnet
4. Quantum Computing

Q:9 Four of the following five are in some way similar and they create a group among themselves. Which of these is not related to this group?

Democracy, Monarchy, Republic, Oligarchy, Harmony

1. Republic
2. Monarchy
3. Democracy

Date : 29th Nov 2023

Logical Reasoning - Classification

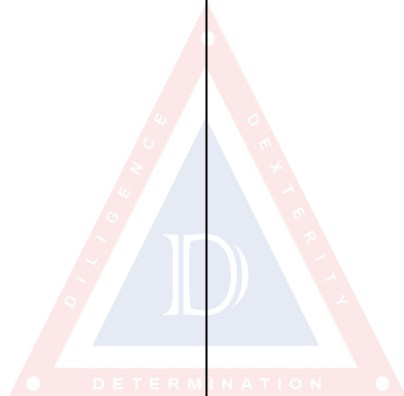

English

4. Harmony

Q:10 Four of the following five are in some way similar and they create a group among themselves. which of these is not related to this group?

Theory of General Relativity, Theory of Evolution, Quantum Mechanics, Theory of Plate Tectonics, Theory of Gravity

1. Theory of Evolution
2. Theory of General Relativity
3. Quantum Mechanics
4. Theory of Gravity

Answer Key

1. (1)	2. (4)	3. (3)	4. (2)	5. (1)
6. (1)	7. (1)	8. (3)	9. (4)	10. (1)

Answers and Solutions

Q:1 The correct answer is **Option 1** i.e. **Oligopoly**
Autocracy, Plutocracy, Theocracy, and Anarchy are forms of government or social systems, while 'Oligopoly' is an economic term referring to a market structure dominated by a small number of large firms. Therefore, Oligopoly is not related to the group of political systems.

Hence, the correct answer is **Oligopoly**.

Q:2 The correct answer is **Option 4** i.e. **Java**
In this group, all the terms relate to web browsers except Java, java is a programming language that is used in coding.

Hence, the correct answer is **Java**.

Q:3 The correct answer is **Option 3** i.e. **Symphony**
Communism, Socialism, Capitalism, and Fascism are political and economic ideologies, while 'Symphony' is a musical composition. Therefore, Symphony is not related to the group of political and economic systems.

Hence, the correct answer is **Symphony**.

Q:4 The correct answer is **Option 2** i.e. **Melody**
Authoritarianism, Totalitarianism, Federalism, and Absolutism are forms of government or political concepts, while 'Melody' is a musical term. Therefore, Melody is not related to the group of political systems.

Hence, the correct answer is **Melody**.

Q:5 The correct answer is **Option 1** i.e. **Rhythm**
Aristocracy, Meritocracy, Theocracy, and Technocracy are forms of governance or social systems, while 'Rhythm' is a musical concept. Therefore, Rhythm is not related to the group of political and social systems.

Hence, the correct answer is **Rhythm**.

Q:6 The correct answer is **Option 1** i.e. **Composition**
Feudalism, Pluralism, Confederacy, and Monopoly

are terms related to governance or economic structures, while 'Composition' is related to music or the act of creating something. Therefore, Composition is not related to the group of political and economic systems.

Hence, the correct answer is **Composition**.

Q:7 The correct answer is **Option 1** i.e. **Haiku**
Algorithm, Firewall, Augmented Reality, and Biometric Authentication are all technology-related terms, while 'Haiku' is a form of Japanese poetry and is not directly related to technology. Therefore, Haiku is not part of the group.

Hence, the correct answer is **Haiku**.

Q:8 The correct answer is **Option 3** i.e. **Sonnet**
Quantum Computing, Encryption, Nanotechnology, and Artificial Intelligence are technology-related terms, while 'Sonnet' is a form of poetry and is not directly related to technology. Therefore, Sonnet is not part of the group.

Hence, the correct answer is **Sonnet**.

Q:9 The correct answer is **Option 4** i.e. **Harmony**
In this group, all the terms relate to forms of government or political systems. 'Harmony' is the word that does not belong in this category, as it represents a state of peaceful and pleasing coexistence, while the others pertain to different types of political systems.

Hence, the correct answer is **Harmony**.

Q:10 The correct answer is **Option 1** i.e. **Theory of Evolution**

The correct answer is the Theory of Evolution. This is because the other options are all well-established scientific theories in physics and earth sciences. The Theory of Evolution, on the other hand, belongs to the field of biology. Hence, it is not related to the group of physical science theories.

Hence, the correct answer is **Theory of Evolution**.
