English

**Answer Key**

1. (1) 2. (4) 3. (3) 4. (1) 5. (2)

**Answers and Solutions**

**Q:1 The correct answer is option 1 i.e. stand by.**

The sentence needs an appropriate phrasal verb to make the sentence coherent.

Meaning of the phrasal verb 'stand by' is 'do nothing'.

That is why this suits best here.

Hence, option 1 is correct.

**Q:2 The correct answer is option 4 i.e. looked at.**

The reason why this option suits best in the given blank is its meaning i.e. considered.

Rest of the options are irrelevant as per the sentence context.

Hence, option 4 is correct.

**Q:3 The correct answer is option 3 i.e. little.**

The given sentence requires an appropriate filler of an adjective.

The most suitable adjective in the given sentence is 'little'.

Hence, option 3 is correct.

**Q:4 The correct answer is option 1 i.e. changes to.**

The sentence requires an appropriate preposition to make the sentence coherent.

The correct preposition is 'to' as this preposition is used when indicating that there is movement from one place to another or a change in something.

Hence, option 1 is correct.

**Q:5 The correct answer is option 2 i.e. play up.**

The sentence requires a suitable phrasal verb (as all the options signify).

The reason why 'play up' seems to be the most suitable option because the meaning of the phrasal verb is 'misbehave'.

Hence, option 2 is correct.
